UDHOLDS VOTERD STATUS

SAN FRANCISCO, Feb. 21 -Japanese - Americans who have been evacuated cannot be deprived of their right to vote, the seven Judges of the Federal Appellate Court ruled yesterday, without leaving the bench.

U.S. Webb, former State Attorney General, argued in behalf of the Native Sons that the names of some 70,000 Japanese-Americans born in this country should be stricken from the registration rolls.

When Walter Dold, assistant city attorney, arose to defend Cameron King, the Registrar of Voters, Presiding Judgo Curtis Wilbur

"It is not necessary for this court to hear further argument. The decision of the lower court is sustained."

The court took under submission cases involving the constitutionality of the evacuation of the American-born Japanese by order of General John L. DeWitt. who acted under President Roosevelt's executive order 9066.

On the question of whether Japanese-Americans should be deprived of their right to vote, Webb inforentially asked the court to rule contrary to the sion of the Supreme Court in the Wong Kin Ark case of 1898. That decision, upholding the citizenship of a Chinese born in this country, has been taken to apply

to Japanese born here. Webb told the court that, "without committing treason," he had come to the conclusion that the case was "erroneously deoided."

"Are you asking this court to overrule a decision of the Supreme Court?" asked Judge Wilbur.

"I'm asking the court, as God gives it light and power, to give a correct (Continued on page 5)

We appreciate the gift and will do all in our power to make the money go as far as possible for something worth-while for the people of the Center.

The Royal Dukes certainly deserve their name. The dukes of older time were known for their chivalry and thoughtfulness, helping those in need. The Community Activities was in need of the money which you gave us. Another complimentary quality is that you didn't choose to keep the money but donated it to worthy causes.

Be assured that we will comply with your wish that the Adult Activities and the Toy Loan Library will receive their share of the contribution.

Again, we thank you.

C. B. Price, Director, Community Activities

In behalf of the Rohwer Buddhist church, may we thank the Royal Dukes for the \$75 donation. The needed fund will be used in carrying out our work for the welfare of the people of this Center.

THE RED CROSS

Setting a national goal of \$125,000,000, on March 1 the American Red Cross embarked upon the greatest campaign in its history. According to the Red Cross News Service, millions of volunteers will be recruited to assist in the nation-wide appeal, which will be conducted under the direction of Walter S. Gifford, president of the American Tolephone and Telegraph company, and national chairman of the 1943 Red Cross combination Roll Call and War fund.

The announced goal represents the minimum requirements of the organization in order to assume its warting obligations. This sum will cover local, national and international war-time needs of the Red Cross, barring unforeseen emergencies or disasters.

Sometime next week, after the reorganization of the local chapter, a campaign will be conducted in the Center to recruit the aid of Center residents. Half of the collected sums will be made available for the use of the local organization while the remainder will be utilized by the national headquarters for its world-

Significantly, the Red Cross has been carrying on its work even from the early part of relocation by setting up First Aid classes for instruction, by initiating a Junior Red Cross chapter and by aiding contact of evacuees with stranded relatives in the Far East.

The support of the people in this coming drive cannot be as financially heavy as in previous years, but every contribution that is made toward this internationally-minded Red Cross will bear its fruits in making possible greater racial understanding in the coming years.

LODÍS WINNING STREAK SNAPPED

In a bitterly fought basketball duel, the undefeated Lodi Golden Avalanches' five-game winning streak was snapped by the cool and clever Stockton Gaels, 39-31, Sunday on Court 2.

The defeat tumbled the Avalanches from the National league's top position and at the same time enabled the unbeaten Gaels to hold undisputed leadership with the Royal Dukes with wins and no setback.

The "oroo shal" battle started out cautiously and slowly and after 3 minutes of ball exchanging Teruo Hirose ignited the dramatic scoring parade with a clean 30-footer to put the Gaels in the lead which they never relinquished.

At the quarter way mark the starstudded Gaels held a slim 7-6 lead and a 15-12 halftime advantage, chiefly due to be spectacled Min Ogasawara's two under-thebasket shots.
